

K-LOVE is very important to us as a family! My children, husband and I listen not only in the car, but in our home as well. Not only do we enjoy the family-friendly programming, but the news updates are invaluable.

K-LOVE is the only broadcaster in our area to provide wholesome values, and this has a very positive impact on the entire community that would be greatly missed if replaced by an LPFM broadcaster. We have enough of that type of broadcasting already!

We believe the service provided by K-LOVE is positive, encouraging, and informative. K-LOVE broadcasting truly touches, and ministers to so many people in the community. It would be a great loss felt by many. Please leave this wonderful broadcast as is.

Thank you for your time! Sincerely, Janet Jordan, and family.
